

**10th Geosymposium
of Young Researchers**
Silesia 2017

Dear Colleagues,

We would like to invite you to the **10th Geosymposium of Young Researchers "Silesia 2017"**. The Conference will be held in the Upper Silesia in the **September 2017**.

Geosymposium is an international conference devoted to young scientists, PhD Students and young doctors interested in Earth Sciences. The conference is of an interdisciplinary character, thanks to which it provides an excellent platform for the presentation of research results in the field of geology, geophysics, geography and environmental protection.

It is organized each autumn by Faculty of Earth Science of the **University of Silesia in Katowice**.

In this year we are planning to perform following sessions:

- Physic geography, landscape ecology
- GIS, teledetecion and cartography
- Structural geology
- Petrology, mineralogy and geochemistry
- Paleontology
- Hydrogeology
- Near surface geophysics
- Petroleum geophysics
- Environmental protection

Registration fee will be 420 pln (c.a. 105 euro) - accommodation in a hotel, full board, coffee breaks and field trip included.

The preferable conference language is English (PowerPoint slides in oral presentations and posters should be written in English).

Registration form (enclosed) and author guidelines will be available soon on www.geosymp.wnoz.us.edu.pl

Registration form should be sent to geosymposium@us.edu.pl

Deadline for registration, abstract submission and payment is
31st May 2016

There will be also the possibility to submit original papers in Contemporary Trends in Geoscience
(5 points MNiSW list B)
